Education

Program	Institution/Board	%/CGPA	Year
B.Tech Electrical Engineering	NIT Nagaland chumukdima, Nagaland	8.3/10	2024-25
Class XII BSEB	Bajrang bali high scool khajura , kaimur, Bihar	75.6%	2024
Class X BSEB	Bajrang bali high School khajura, kaimur, Bihar	83%	2022

Awards and achievements

- Secured 1th rank in **Quantam quiz** held at nit Nagaland among 100 Students.
- Secured 1th position in **Circuit design competition** organized by IEEE IAS student branch chapter.
- won **3rd prize** in national Entrepreneurship day on Ideathon competition held at nit Nagaland.

Projects

- UAV (Unmanned Aerial Vehicle)**
Assembled and configured a quadcopter including ESCs and flight controller and performed system testing
- RC car development** Designed and built a radio-controlled vehicle integrating motors, drivers, and power systems.
- Ultrasonic obstacle detection system** Developed a microcontroller-based distance measurement system using ultrasonic sensors. Implemented real-time obstacle detection for navigation support.
- Python Based Automation Tool** Developed automation scripts using Python to streamline task execution.
- Traffic Violation Detection:**
Real-time traffic monitoring system using YOLOv8 and camera-based setup.

Skills and Expertise

- Programming Language: C, C++, Python
- Web Technology: HTML, CSS
- Tools: Free cad, Microsoft Excel, Microsoft Office, Latex, Canva

Relevant Course Works

- 5-Day Drone Bootcamp 2.1 – Organized by NILIEIT, focused on Multirotor UAV Assembly
- 3-Day Training Program on Energy Conservation Sustainability Building Code (ECSBC) and Eco Niwas Samhita (ENS)
- 4-Day 3D Printing Bootcamp – Organized by NIT Nagaland, conducted by CTTC Bhubaneswar instructors

Position of Responsibility

- Co-Organizer, MLBB Event – NIT Nagaland:** Helped to organize the gaming event, managed participants, and handled logistics.
- Volunteer, Innovation & Entrepreneurship Bootcamp – PM SHRI Schools** (Ministry of Education, Govt. of India)
Assisted in organizing bootcamps for principals and teachers
Supported **2 events** with **250+ educators** from Nagaland and Tripur
- Member, Institute Innovation Council (IIC) — NIT Nagaland**
- Robotics club member.**
